◆ Gallery 4463 is a new high quality gallery featuring paintings, prints, photography, sculpture, and fine crafts ranging in style from contemporary realism to abstraction by some of the finest artists in Georgia. A coop membership gallery drawing significant artists, discriminating collectors and patrons, Gallery 4463 also provides an exciting art educational experience for the new and experienced art connoisseur.

◆ The gallery requires a great deal of effort both in terms of time and financial support. While the founding artists are planning to make a major contribution to the success of the gallery, an appeal is being made to area businesses and supporters of the arts to join in our campaign as sponsors and friends of the gallery.

ACWORTH, GA

Acworth has experienced a renaissance over the last 10 years and now enjoys a number of excellent restaurants as well as gift and confectionary shops. With its tree lined shore, beach, and stately homes, Acworth has become a destination for many who seek a refined evening out on the town.

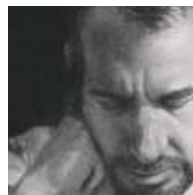

Located on Cherokee Ave, less than a mile from I-75 in the heart of downtown Acworth is a prominent brick and glass 2-story building. With a high 14 ft ceiling and spacious interior, the space is uniquely suited for a full size gallery.

A CO-OP GALLERY

The Gallery is membership-owned-and-operated by artists who are determined to be able to present their works directly to the public. Slated to open in October with an exhibit of works from our founding members, the gallery will maintain a professional sales and marketing suite where clients, collectors and the art buying public can browse through original works of arts in a relaxed and refined setting.
